Pink Floyd: Wish You Were Here (Experience Version)

Produktbeschreibung:

Bei seiner Veröffentlichung 1975 stieg *Wish You Were Here* sowohl im UK als auch in den USA an die Spitze der Albumcharts. *Wish you were here* reflektiert die damaligen Ansichten der Band über das Musikbusiness und setzt sich mit den Themen Abwesenheit und Verlust auseinander, insbesondere im Klassiker *Shine On You Crazy Diamond*, einem Tribut an Gründungsmitglied Syd Barrett. Die aktuelle Experience-Version präsentiert das Original-Studioalbum digital remastert von James Guthrie mit einer Bonus-CD, auf der bisher unveröffentlichte Live- und Studioaufnahmen zu hören sind. Außerdem enthalten sind ein neugestaltetes DigiPak und ein von Storm Thorgerson designtes 20-Seiten-Booklet.
